

1 to Chairman Koss?

2 THE CHAIRMAN: Delegate Koss, will you take  
3 the floor to yield to a question?

4 DELEGATE KOSS: Yes, sir.

5 THE CHAIRMAN: Delegate Marion?

6 DELEGATE MARION: When the committee recommended  
7 the language appearing in Lines 12 and 13 where you  
8 speak of three monthsnext preceding an election, election  
9 in that sense, I take it, refers to a general election  
10 and would not refer to a primary election, is that  
11 correct?

12 THE CHAIRMAN: Delegate Koss.

13 DELEGATE KOSS: That is correct, that is the  
14 current practice in this state.

15 THE CHAIRMAN: This prompts a question from  
16 the Chair inasmuch as the word would not seem to be  
17 necessarily to mean general election. Is there in another  
18 recommendation anything to indicate that the word election  
19 as used throughout the article means general election?  
20 Delegate Koss. In other words, the word election is  
21 used numerous times in committee recommendation S&E-2.
